no matter how much is said about  
what they spend for dresses and hats.  
They always know how to make a  
dollar go the farthest. That's why  
thoughtful women discover that by  
using Easy Task soap in their laundry  
work they save fuel and time and  
trouble and health and more than  
that, they save the clothes that are  
washed. Easy Task has no rosin in  
it to stay in the clothes and hold the  
dirt with it and rot the fabric.—Ad-
